

Map and Projects Report Guide

The following section includes maps for state highway and local road projects. The first map is the highway map, followed by the listing for the projects that are depicted on the map. Here is a definition of the fields on the project report.

| | |
|-----------------|---|
| DESIGN ID | The number assigned to the design phase of the project |
| CONST ID | The number assigned to the construction phase of the project |
| TITLE | Description information generally referring to map identifiable locations in cardinal direction (i.e., from South to North and from East to West) |
| PROJECT MANAGER | A staff member from the Project Development Section who oversees the designer of the project |
| CONST YR | The year the project will be constructed |
| HIGHWAY | The STH or USH of the project |
| LIMITS | A description that further defines where the project is located |
| PROJECT NOTES | A field that provides more information about the project |
| LET DATE | The date the project is let for bids |
| LENGTH | The length (in miles) of the project |
| TYPE OF WORK | Definition of highway improvement projects |
